QTY	BLANKET TYPE	BLANKET BRAND	COLOUR	CHECK REQUESTED SERVICES (✓)				
				WASH	REPAIR AS NEEDED (\$35/HR)	NEW HARDWARE ONLY (CHARGES WILL APPLY)	DO NOT REPAIR	WATER REPELLENT TREATMENT (\$17.00)

IMPORTANT DETAILS ABOUT OUR BLANKET CLEANING SERVICE — PLEASE READ!

Note that a heavy hair/soil surcharge will apply where applicable. General Laundry rates are per pound, weight tabulated on receipt.

Wherever possible we will use quality refurbished hardware for all repairs. If you would like to request new hardware only please indicate this in the chart above for each applicable blanket. If refurbished parts are acceptable, please leave this column blank.

IMPORTANT: *Please note that water repellent treatment cannot be guaranteed if blankets are older, have stretched or faded fabrics, heavy shell repairs and/or have been cleaned prior to coming in for water repellent treatment. Once a blanket loses its initial waterproofing or the inner waterproof membrane of a blanket breaks down it cannot be restored to its original condition. This makes it difficult to guarantee any water repellent treatment.*

Due to limited storage space and frequent rotation of inventory, Greenhawk reserves the right to apply storage fees to blankets that have not been picked up after 3 weeks of their completion date. Blankets that remain unclaimed after 3 months will become the property of Greenhawk.

Please contact me if repair costs for any one blanket are expected to exceed \$ _____
